

Organic Applique

With Kathy Doughty of Material Obsession

Organic Applique is a design class full of techniques and tips for everyone that wants to bring their ideas to life. We will use simple techniques and easy shapes to design creative projects that are unique to the maker. Beginners and advanced quilters alike will enjoy experimenting with a variety of fabric styles and combinations. Using Wash Away Applique Paper we can trace or draw our shapes before placing them on the background. Make the projects as presented or use helpful hints to create design opportunities!
